ABOUT THIS DOCUMENT

This document was produced by the Interchange from an M-PESA statement supplied by the requesting organisation, with the account holder's consent referenced above. The statement file and its password were processed in memory and not retained; the file's SHA-256 fingerprint is recorded under this document's reference so the analysis can be matched to the statement it was read from. Every figure is the Interchange's reading of the transactions in that statement. It is not a statement by Safaricom, and it is not a credit reference bureau report. The Interchange gives no credit opinion. This document is confidential to the requesting organisation.
