ABOUT THIS DOCUMENT

The credit information in this document was supplied by Metropol Credit Reference Bureau, a credit reference bureau licensed by the Central Bank of Kenya. The Interchange did not create, alter or verify that information. The Interchange is a technology intermediary: it is not a credit reference bureau and it gives no credit opinion. It retrieves the bureau's response, keeps it unchanged (the original response and its SHA-256 fingerprint are held under the reference on this document), and presents it in a form a lending decision can use. Where this document shows totals, orderings, charts or flags, they are marked as the Interchange's reading of the bureau's data and are not the bureau's statement. Questions or disputes about the underlying data must be raised with Metropol Credit Reference Bureau, which holds the record. This document is confidential to the requesting organisation and may be used only for the purposes permitted by the Banking (Credit Reference Bureau) Regulations, 2020.
